COFFEE BROWN—Yep, that's his name, and it really fits. The three-month-old Chihuahua looks like it's going to set a weight, fly-weight, that is, record for Mrs. Julius Aranoff, owner of the tiny dog.

Chihuahua Seeks to Set New Record

Mr. and Mrs. Julius Aranoff, owners of Torrance's Mar-Jul Kennels, are sure they have another record setting Chihuahua dog. The record, of course, is for being the smallest animal known.

The latest addition to their string of fly-weight dogs is a little brown pup that has been nicknamed "Coffee Brown." Full, registered name of the tiny mite is "General Chicito."

From all appearances Coffee Brown will underweigh Honeybear, another Mar-Jul champ who was unchallenged as the smallest Chihuahua on the West Coast.

Honeybear at six weeks weighed 12 ounces. Coffee Brown at the same age weighed a mere seven ounces.

During the first weeks of Coffee Brown's life, Mrs. Aranoff took him to work with her at Kirby's Shoe Store here where the little dog soon became a favorite of all the customers.

Every two or three hours Mrs. Aranoff fed Coffee Brown a few ounces of Esbilac, a special food formula, with an eye dropper equipped with a chinchilla nipple. Coffee Brown has grown enough now that he eats regular Chihuahua diet of baby oatmeal and fresh hamburger, Mrs. Aranoff reports.

Garden Club Plans Annual Home Show

Mrs. A. C. Turner was hostess at last Wednesday's meeting of the Torrance Terrace Garden Club. Plans for the sixth annual Home and Garden Show were discussed. The show will be held for three days, May 22, 23 and 24, at the Civic Auditorium. Last year's showing attracted thousands of spectators.

Arbor Day will be observed on March 6, with the planting of a tree by Club members in the kindergarten playground of Halldale School, it was reported.

Mrs. Wilfred Stevens, president of the group, welcomed two new members, Mmes. Maurice Shanahan and Parke Montague.

Mrs. Minot Rugg was in charge of the program at the meeting. She delivered a brief talk on azaleas, and led the discussion that followed.

Eighteen members attended and enjoyed the refreshments served after the meeting.

Legion Auxiliary Plans Card Party

The Ladies Auxiliary of the American Legion will hold their regular card party on Jan. 27 at the American Legion Hall on Border Ave. Games will begin promptly at 8 p.m. Prizes will be awarded for high scores in bridge, 500, pinocle, canasta and bunco. During the adding of the tallies refreshments will be served.

Irene Dodd, at work in the traffic office at Albany, Oregon, where she assists in the supervision of some 90 telephone operators.

IRENE DODD—YOUNG LADY GOING PLACES

In just a few years, she has advanced in the telephone business from student operator to assistant chief

In August, 1943, Irene Dodd came to work for Pacific Telephone as an inexperienced student operator. Since then, she's had several promotions—to operator in charge, supervising operator, and recently to her present position as assistant chief operator. This is a familiar telephone success story. For advancing our telephone men and women as their skill and experience grows is just one more way we work to make your telephone ever more efficient and valuable to you.

Every day is exciting for Mrs. Dodd who, like many telephone women, has combined marriage and her career. She enjoys keeping house as much as she enjoys helping people with their telephone calls. Gratifying, too, is the feeling that she is helping new people get ahead in the telephone world. It's all part of telephone tradition—a tradition of service which insures that a well-trained force of men and women stands behind the good telephone service you enjoy every day.

A good place to work

One reason why telephone jobs are good jobs is the fact that each year thousands of telephone men and women are promoted to more responsible positions in the hundreds of communities we serve locally here in the Pacific West. Their goal: to help keep your telephone service the finest in the world.
